

# THE GAME

# The Game is the opponent

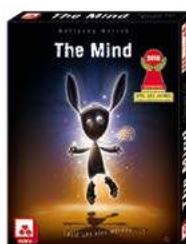

The aim is to play all 98 cards on the stacks and defeat THE GAME. You will only be successful, if you work together – as a team! THE GAME is the opponent. Only with all the players joint you can beat it. Even if the rules are easy – THE GAME won't. Agreements and mutual actions are the one and only way to solve THE GAME.

... because it's just fun!
